- Field   Bioinformatics
- Name   Kim, Jin
- Title   Professor

- Office   College of Engineering A1301
- Tel   2318
- email   jinkim@hallym.ac.kr

| Educational background

1990 ~ 1996 Michigan State University (Doctor of Engineering –
The Department of Computer Engineering)
1988 ~ 1990 Michigan State University (Master of Engineering –
The Department of Computer Engineering)
1978 ~ 1984 Korea University (Bachelor of Science – The
Department of Physics)

| Major careers

2013 ~ 2015 Director of the Information & Computing Center
2008 ~ present Dean of the Department of Computer Engineering
Dean of the College of Electronics and Information Engineering
2004 ~ 2006 Dean of Planning

| Studies & Books

■ Theses
– Energy Efficient Metadata Management for Cloud Storage System Internantional Journal of Distributed Sensor Networks, SCI급, 공동(참여), 2015]

| Others

■ Academy Activity
– The Korean Institute of Information Scientists and Engineers and the Korea Information Processing Society
