York — the best place to live in the UK 2018

This mini metropolis has a rich history and grand ambitions to be one of the best-connected hubs in Europe, with cool cafes, destination restaurants and innovative companies

A street-level photograph of York at night, showing the York Minster illuminated by streetlights. The street is lined with brick buildings, and the scene is lit with a warm, golden glow from the lights.

Global School Students Comments from 2018 course:

- Because it became a wonderful memory in my life.
- The environment, city, University, staff, everything was nice and everyone was nice.
- People, class, environment are nice and I feel less stressful in York.
- Perfect city for trip or studying.
- York is a safe, beautiful and nice city. I really want to study for longer term in here.
- First of all, me staying in York, I felt really safe here in York. In addition, the atmosphere in this university was really good. If I could get chance to study here, I would really like to.
- Those field trips were very nice and well organized, especially I really liked Whitby. The town was so beautiful and fish and chips was so tasty.
- Everything was great and I cannot forget the trips.

Global School Students Comments from 2019 course:

Reflection journal (You must do this or you will fail the course!)

- It helps me to look back what I have done in the United Kingdom, and it also helps me to improve my English writing.
- Grammar correctness.
- At first, I was too lazy to write the journals everyday. However, as I wrote it day by day, it was like writing a diary and gave me the opportunity to think about what I did through the day.
- I think everyday journals are really great. I mean it was little bit troublesome but I can remind what I've done in York.
- At the last week, I ran out of topics, but I was able to write class-related journals.
- It was great chance to look back the period during the program.
- Not only developing my English writing skill, It also helped me to reflect myself.

Global School Students Comments from 2019 course:

When asked about what they enjoyed the most during the programme, the students made the following comments:

- The best thing about this programme is the trips to different cities or historical sights near the UK.
- I really liked the way how professors treated students. They were so nice to us. The programme was very nice and I just can't choose it. Everything was very good.
- Try this programme, and you will recognize that you are enhanced.
- I had a lot of new experiences and it was really interesting. I want to be in York for a longer term.
- Because it's really great experience.
- Programs are efficient, and staffs try to guarantee our comfortable life in here.
- It was a great chance to learn.
- It is a very good chance to experience the culture of UK and widen your mind.
- It was really memorable memory, I feel from this programme, I think I learned many things, meeting various people also other things. I really recommend this programme.
- It really worth to come here and learn stuff and feel stuff. For the future student, I want to tell them, do not hesitate to apply for it.

Please describe your exchange experience at York St John University so far.

학교 분위기가 굉장히 좋아요. 저는 특히 YSJ의 강의들이 마음에 들었어요. 수업진행과 커리큘럼이 아주 체계적이고, 수업 전에 읽어야 하는 참고논문이나 기사들을 다 학교 온라인 시스템에서 열람할 수 있어서 수업 준비가 편해요. 그리고 모든 교수님들이 그런 건 아니지만, 제 사회학 교수님 중 한 분은 수업 내용을 팟캐스트 형식으로 녹음해서 미리 한 학기 분량을 다 업로드해주셨어요. 저는 학술적 영어 단어를 많이 알지 못해서 이렇게 팟캐스트를 올려주시는 것에서 도움을 많이 받았어요. 미리 한 번 듣고 필기를 하고 가면 핵심 단어들에 익숙해지고 수업에서 잠깐 알아듣지 못하더라도 흐름을 금방 따라갈 수 있거든요. 이런 식의 학생들 배려가 잘 되어있어요.

그리고 YSJ는 한국어 전공이 개설되어 있기 때문에 한국에 관심이 많은 영국 친구들을 만나기가 쉬워요. 저는 현재 두 명의 한국어 전공 영국 학생들의 멘토로 봉사를 하고 있는데 현지 친구를 사귀는 데 도움이 많이 되었어요. 아무래도 교환학생들은 교환학생들끼리 같이 다니기 쉬운데 학교 측에서 이런 기회를 마련해줘서 혹시 현지 친구를 못 사귄까 걱정하는 분이 계시다면 YSJ에서는 크게 걱정 안 하셔도 된다고 말씀드리고 싶어요.
